Dear Members and Friends of CCMC,

This message is sent out with the support of the Leaders of CCMC.

As the Coronavirus situation is now at DORSCON Orange, please do NOT come to Church IF you have travelled to China in the last few weeks or if you are feeling sick. Please go see a doctor.

For the elderly who may be vulnerable, it is understandable if you choose at times to remain at home during this Coronavirus season.

We will NOT be shaking hands with each other at this DORSCON Orange level.

We will be doing Contact Tracing and Temperature Taking. May I suggest you bring your own thermometer to speed up the process if possible.

CK Children who are in Church, will not have mass assembly but will go straight to class. There will be temperature taking and hand washing before class time. N1-2 classes will be cancelled from 16 February 2020 onwards.

May we urge everyone to trust God, stay calm and be socially responsible by not spreading unhelpful rumours. For more information, please see the official updates at [go.gov.sg/mohupdates](https://go.gov.sg/mohupdates).

Grace and Peace
